

DOCKET NO.: JJO 0005

PATENT

rejection made after a review thereof by the Examiner in this reexamination application has been fully responded to by applicants, an allowance and termination of the reexamination aspect of this proceeding appears to be in order.

Similarly, the reissue application is believed to present allowable claims in its request for an interference with the Scholz et al. patent and prompt declaration thereof is respectfully requested by "special dispatch" as required by 37 CFR §1.607(b).

Respectfully submitted,
